The Value of Blue Guarantee

If you choose BCBSRI when you're first eligible for Medicare coverage, you gain exclusive access to a one-time opportunity to switch from a Medicare Advantage plan to an open Plan 65 Medicare Supplement plan in the future.⁴

Save \$2/month on your monthly premium by choosing our electronic funds transfer (EFT) payment option on your Plan 65 application.

Call the Medicare Sales team for more information at **(401) 351-2583** or **1-800-505-2583**, including how to add Blue Cross Dental coverage and/or a prescription drug plan.

Plan 65 offers age-in rates—so you can get the most out of your retirement with lower monthly premiums. Rates shown apply to members enrolling in Plan 65 within six months of becoming enrolled for Medicare Part B. Certain changes in your circumstances can qualify you to enroll in Plan 65 as well.

¹These rates are available by confirming you don't use tobacco on your application or completing the Tobacco Use Attestation Form after becoming a Plan 65 member. Rates shown are for 65-67 year olds. Please refer to the Plan 65 sales brochure to see all rates.

²Plan 65 Select F and Select G are not subject to the Part A deductible or Part A copay when you use a hospital within the Plan 65 Select Hospital Network. If you use a non-participating Plan 65 Select Hospital for Medicare Part A benefits, you will be responsible to pay the applicable Medicare eligible expenses, Part A deductible, and/or Part A copay. The network is subject to change at any time.

³For enrollment on or after July 1, 2019, if you are under 65 and enrolled in Medicare due to disability or end-stage renal disease (ESRD), the Plan A starting rate is \$316.60 for non-tobacco users and \$351.78 for tobacco users.
